Re: *United States v. Wilbright, et al.*, 20 Cr. 667(VEC)

Dear Judge Caproni:

I represent Jamel Murray, who was sentenced by the Court on December 2, 2021. At the time of Mr. Murray's guilty plea, the Court had continued his bond conditions pending his sentence. In the Presentence Report, Probation recommended that Mr. Murray voluntarily surrender to the correctional facility to which he was to be designated.

At Mr. Murray's sentencing hearing, the Government argued that remand was mandatory. Because the issue had not been raised in advance, at my request, the Court continued Mr. Murray's bond and ordered me to file a response to that argument on January 18, 2022. Doc. 167.

Mr. Murray has been ordered to surrender to Ft. Dix on January 18, 2022. Consequently, it is requested the Court vacate as moot the order requiring me to file a response. I have spoken with AUSA Christopher Clore, who has no objection to this request.

Thank you for your consideration of this request.

Respectfully submitted,
/s/ Jean D. Barrett
